Low Cash Mode:

PNC is rolling out a new experience for Virtual Wallet Student Spend accounts called Low Cash Mode. Low Cash Mode is a set of account tools that will become available in the PNC Mobile App(1) for your Virtual Wallet Student Spend account. This new experience includes overdraft pricing changes and Extra Time to fund your account when it is overdrawn (refer to details below). These pricing changes and Extra Time will become available to all Virtual Wallet Student Spend accounts on April 1, 2021.

The Extra Time Clock, Payment Control, and enhanced alerts will become available in the PNC Mobile App during the months of April or May, 2021. You will know these tools are available on your account when you see a "To Do" notice with the title "Introducing Low Cash Mode" above your account summary in your PNC Mobile App.

Please note that Low Cash Mode is not available for use with your Reserve or Growth accounts at this time.

Here's what you can expect:

When you see a "To Do" notice above your account summary in your PNC Mobile App, you will be able to view the Low Cash Mode experience and start using the tools in the PNC Mobile App. Low Cash Mode includes:

- > The option to set up an enhanced set of alerts;
- > Extra Time to fund your Virtual Wallet Spend account before Overdraft Item fees are assessed;
- > The Extra Time Clock, to let you know how much Extra Time you have remaining;
- > A "Payment Control" feature to allow you to review and manage pay/return decisions on certain check payments and items that are processed through the Automated Clearing House (ACH), payments made using your Virtual Wallet Spend account and routing number, when your account is overdrawn.

Low Cash Mode includes changing the maximum number of overdraft (OD) Item fees on your Spend account from 4 to 1 per day, and no fees will be charged for Items returned for Non-Sufficient Funds (NSF) on your Spend account. These fee changes, including Extra Time will take effect April, 1, 2021. The existing fee structure, without Extra Time, remains in effect for your Reserve and Growth accounts, which means that for OD and NSF items in your Reserve and Growth accounts, you will be charged \$36 per OD/NSF item up to a maximum of 4 items per day.
